

Mid Term 2 Newsletter 2023

We trust that the term has gone well for you all.

As a club we have had a great term on the competition front, results from the South Island Championship and the Icon Championships are included below.

Well done to all our athletes and officials who attended Australian Nationals, it was great to have the opportunity to attend again after Covid. We hope you all enjoyed the experience.

On a serious note, we have had 7 break ins to the building in 3 weeks which has been extremely time consuming and frustrating. We appreciate the time that has been spent by the committee, coaches and members of the club attending the break ins, arranging repairs and insurance claims on our behalf. The committee is currently working on increased lighting outside the building and upgrading the security. If you observe anything suspicious around the building please alert the coach in the first instance; the safety of our members is our greatest concern.

*****Please be responsible for each other's safety and leave the gym together especially in the dark. PLEASE wait with your coach when locking the gate.*****

South Island Competition

We were well represented at the South Island Championships and New Zealand Secondary School Event. Thank you to our judges, coaches and parents who assisted supporting our team.
